

Name: _____ Current Grade: _____ Date: _____, 2024

Please select **8** courses for a full timetable. This does not include courses that are outside of the regular school such as Athletic Development, Band, Instrumental Music, Advanced Acting, Green Certificate, Work Experience, RAP, or Dual Credit.

When picking your classes, focus on the classes you need for post-secondary or trade pathways first, and then add options to fill up your timetable. Be careful with your choices as once your schedule has been created, changes might not be possible.

If you fail a class, you might have to take the courses online as the in-person classes might not be available or might conflict with your schedule. Don't forget about prerequisites.

Base your course choices on your grades from the first semester and your current grades in the second semester as well as admission requirements for post-secondary program. If your grades change during the term, we can adjust your selections.
