

# JPPI High School Program Planning

Use this form as you read through the course descriptions on the JPPI website and select possible courses (along with alternate course selections). Blank spaces are for adding your complementary course selections (options and alternates). Make a plan; revisit your plan; change the plan as necessary. Plan for both high school graduation and future post-secondary entrance.

Most students go beyond the minimum Alberta High School Diploma requirements and take advantage of the many options available at the high school level. To meet post-secondary entrance requirements, students are required to plan their high school schedule to balance their workload with the marks necessary to meet post-secondary standards.

### REGISTRATION

- Plan - Prepare - Balance: Use this planning sheet to plot out your education through High School—upgrade as needed for entrance into post-secondary programs.
- Every student's educational path is unique. Administration, Teachers, Classroom Support Teachers, and Academic Advisors work together to build a unique learning plan based on a student's learning style, strengths, interests, goals, and career aspirations.
- Ensure you read the Course Descriptions so you understand what the course entails and that you are making a good decision for your educational needs.
- Families should plan carefully for student success through high school to meet both Alberta Education graduation requirements as well as courses desired for any trade or post-secondary program after high school. Please contact/email the school with any questions or concerns.
- **Course Selection will occur for JPII students in Grades 9-11 on MARCH 18. This is done through their PowerSchool account. The portal will close on March 25.**
- Please contact Mrs. Goodall ([paulettegoodall@gpcsd.ca](mailto:paulettegoodall@gpcsd.ca)) if you have any questions about registration. Please allow 2-3 business days for a response.
